

DISTRICT 11 4-H & YOUTH DEVELOPMENT PROGRAM COMMITTEE ASSIGNMENT/RESPONSIBILITIES

MISSION:

The purpose of the District 11 4-H and Youth Development Program is to provide all youth in the Coastal Bend with opportunities to develop leadership and life skills, in addition to the skills needed to serve as productive citizens and goal-oriented individuals, through relevant, timely and research-based educational programs and opportunities.

VALUES:

The District 11 4-H and Youth Development Program values:

- 4-H as a family-based organization,
- Each youth and leader involved in the 4-H program, and his/her individual interests and goals,
- Leaders and volunteers that work with and provide educational experiences for youth,
- The opportunity given to adult leaders to grow and learn by teaching and working with youth,
- The numerous, diversified opportunities offered to youth, including a wide range of projects, educational programs, leadership opportunities, and scholarships,
- A positive and safe, non-threatening environment provided to all youth, in which they can learn and grow.
- Multi-cultural delivery methods that are offered, in order to meet the needs of all population varieties,
- The emphasis placed on character education and ethics in all project areas,
- The traditions that have long been established among District 11 4-H youth, adult leaders and County Extension Agents,
- The geographical diversity that the Coastal Bend has to offer,
- Dedicated staff and faculty, in addition to supportive leadership, that work with and help facilitate the 4-H program.
