

District 11 4-H Junior Lab Tuesday, July 11, 2017 Event Information

Purpose

The purpose of Junior Lab is:

- To provide a district-level leadership training experience for younger 4-H members.
- To provide an opportunity for District 4-H Council Officers and members to demonstrate their leadership skills.
- To provide a wholesome, yet educational, experience through cultural offerings, craft activities and social interaction.
- Rotate throughout the district annually to focus on natural resources or other unique features of counties within District 11.

Workshops

Junior Lab participants will participate in a variety of fun, hands-on and educational workshops. The workshops will be:

- Fishing
- Kayaking
- Walking through the Wetlands
- Science on the Sphere Tour
- Team Building

Eligibility

All 4-H members grades 3 through 8, as of May 31, 2017, are invited to participate in Junior Lab.

Transportation

It is the responsibility of the county and/or parents to provide transportation for its participants to and from Junior Lab. No 4-H member may drive him/herself.

What to Bring

Participants are reminded to wear sunscreen and bring a hat. It is guaranteed to be hot! Also, t-shirts will be given to each participant and we ask that each participant wear his/her t-shirt throughout the day's activities. Water coolers will also be available on-site; however, youth may also bring their own water bottles. Several of the workshops will be wet and wild. Feel free to wear a swimsuit under your clothes, just make sure it is appropriate for a 4-H function. Participants should dress cool and comfortable within the 4-H dress code guidelines.

Required Forms

All participants must also complete the medical form and waiver and indemnification form on their 4-H Connect profile. County Extension agents are expected to print a copy for travel purposes.
