Welcome to the 2017 Texas 4-H Food Show!

****Please note, any information that is highlighted, is new for 2017!***

This year's Food Show theme is "Family Favorites". More information about this fun theme follows on page 2. For those 4-H members who advance to the State Food Show, the interview times have changed slightly. Participants will provide a four-minute oral presentation, followed by a four-minute interview with judges, and lastly will have one minute to serve their dish to judges.

Reviewing the recommended resources (in this packet) will enhance interview scores. The four State Food Show categories align with MyPlate: protein, fruits and vegetables, grains and dairy. As always at the state level, all food preparation must be done in the designated kitchens.

The Food Show is scheduled for Thursday, June 8, 2017, during 4-H Roundup week in College Station. The Food Show orientation is scheduled for Wednesday, June 7, 2017. Specific details regarding interview and orientation sites, will be forthcoming as secured.

Please share this packet & guidelines with district winners as soon as they are identified. This information can also be found at http://fcs.tamu.edu/food_and_nutrition/4-h_youth.php

RECIPE SELECTION

Four entry categories allow for presentation of a variety of foods in the Food Show. The categories also provide an opportunity for contestants to exhibit a variety of food presentation principles.

Many recipes can be entered in more than one category. Participants should consult with the website <http://www.choosemyplate.gov/> when selecting a recipe category. All four food categories may use ovens during food preparation. However, oven time is limited to 75 minutes in all categories.

- **Protein** - All foods made from meat, poultry, seafood, beans and peas, eggs, processed soy products, nuts, and seeds are considered part of the Protein Foods Group. Beans and peas are also part of the Vegetable Group.
 - EX: Dishes that contain meat or meat alternative such as eggs, dry beans, peas or peanut butter.
- **Fruit and Vegetable** - Any fruit or 100% fruit juice counts as part of the Fruit Group. Fruits may be fresh, canned, frozen, or dried, and may be whole, cut-up, or pureed. Any vegetable or 100% vegetable juice counts as a member of the Vegetable Group. Vegetables may be raw or cooked; fresh, frozen, canned, or dried/dehydrated; and may be whole, cut-up, or mashed. Vegetables are organized into 5 subgroups, based on their nutrient content.
 - EX: Dishes that accompany a main dish (salads, relish trays, cooked fruits and vegetables)
- **Grains** - Any food made from wheat, rice, oats, cornmeal, barley or another cereal grain is a grain product.  - EX: Quick, yeast, bread mixes, rice, pasta
- **Dairy** - All fluid milk products and many foods made from milk are considered part of this food group. Most Dairy Group choices should be fat-free or low-fat. Foods made from milk that retain their calcium content are part of the group. Foods made from milk that have little to no calcium, such as cream cheese, cream, and butter, are not. Calcium-fortified soymilk (soy beverage) is also part of the Dairy Group.
 - EX: Dishes selected must contain a minimum of a half serving of dairy per serving (macaroni and cheese, drinks, custards, cheese logs, etc.)

RECIPE PREPARATION

Tips for Success

1. ALL Food entered in the Food Show must be prepared in the assigned kitchens at the Preparation Centers. Contestants cannot be permitted in the preparation areas before or after the specified times. Ingredient measuring and preparation (i.e. chopping of onions) must be performed in the preparation center as indicated by the recipe.

All food preparation must be done in the designated kitchen. Each ingredient in the recipe must be prepared (i.e. chopped, blended, blanched, etc.) and measured in the site preparation kitchen. Pre-packaged convenience foods that have already been partially prepared (i.e. shredded cheese, chopped nuts, etc.) may be used; however, they must be listed as an ingredient in the recipe and brought to the site in the original packaging and measured on-site.

2. Contestants will be penalized for up to .5 points for:
 - a. remaining in the preparation centers beyond the specified times and/or using more than the specified oven baking times permitted,
 - b. entering foods that were not prepared in the designated kitchens,
 - c. not cleaning up adequately after preparation,
 - d. not being prepared for their scheduled interview time.
3. Contestants are encouraged to wear clothing consistent with professional and safe food handling practices.
4. Contestants must follow professional courtesy by not using their cell phone or texting during food preparation.
5. Contestants must prepare their own dishes. Foods that are not part of the contestant's entry cannot be prepared in the Preparation Centers.
6. There are 12 contestants who must share limited number of work surfaces, sinks, stoves and refrigerators. Therefore, should an unforeseen mishap occur, a student can remake their recipe within their allotted time and work space. The Kitchen Supervisor will determine if they can remake their recipe.
7. The Preparation Centers will be open at 8:00 a.m. on Thursday and close at 4:30 p.m. All supplies have to be out of the center by 4:30 p.m. when the contestant presentations and interviews are completed.
8. Only contestants are permitted in the Preparation Centers. Others must remain outside at all times. Contestants can be assisted with transporting boxes from parking lots to the kitchen door.

9. Only ranges, refrigerators, ovens, food freezers, work tables and counter tops are available for contestants to use in preparing their recipes. Microwaves may not be available. Special equipment or appliances must be provided by the contestant. Equipment with open flames is not allowed.
10. Contestants who will be using an oven in the preparation of their dish are encouraged to bring an oven thermometer for use in the oven at the Center. Oven temperatures vary widely, so it is a good idea for contestants to use a thermometer at home when preparing their recipes to determine the temperature that is most appropriate.
11. Contestants must provide cutlery, cutting boards, cleaning supplies, dish towels, paper towels, pot holders, ingredients for recipe and any appliances not listed above.
12. Contestants must *check-in* and *check-out* upon entry and exit of the Kitchen Supervisor. Contestants who have oven baking times must schedule baking times with the Kitchen Supervisor in the prep labs. The Supervisor at each center will also be available to answer questions and provide assistance.
13. Centers must be left clean and orderly.
14. Contestants may change their clothes prior to their scheduled interview if they choose.

RECIPE PRESENTATION AND JUDGING

Contestants will be interviewed in a room near the kitchen. The Kitchen Supervisor will inform each contestant when and where to take his/her dish to be judged. The order in which each district will be judged has been randomly selected and is included in this document. *Highlighted information is new this year!

1. Introduction/Presentation

Each contestant will start with a maximum **four-minute presentation** to introduce themselves and their dish. You should describe your inspiration in choosing your recipe and how it relates to the theme, **Family Favorites**.

2. Question and Answer

Judges will have the opportunity for a **four-minute interview** asking questions applicable to the attached scorecard. It includes but is not limited to basic nutrition, food safety and preparation as well as project experiences. Being familiar with the information from the recommended study resources in the Guidelines will improve your interview success.

3. Serving

At the conclusion of the question and answer period you will have **one-minute to serve** the judges a portion of your dish. This will allow judges to visually evaluate the dish you have prepared. Contestants are encouraged to practice proper food handling techniques when presenting food to the judges.

The food should be presented in a serving dish with a serving utensil. The dish should be presented to the judges as if it were about to be placed on a table for a family dinner. In some instances, it is not necessary to present to the judges the entire recipe. For example, if a recipe makes two loaves of bread, only one loaf needs to be presented for judging. Serve judges only a small portion of food using the paper products provided by the judging supervisor. The serving trays provided by the Kitchen Supervisor must be used if a tray is needed to safely transport the dish.

Fancy or elaborate placemats, linens, centerpieces, candles, etc., are not to be included with the dish as it is presented for judging interviews. Contestants should use only serving dishes and utensils appropriate and necessary to present and serve the dish to be judged. Agents and leaders are encouraged to use discretion regarding this manner when counseling 4-H participants, members or contestants for the state show.

At the conclusion of the 4-H Food Show, rankings, judges' comments and other correspondence will be forwarded to the participant's County Extension Agent. Please allow up to three weeks for processing.
