Age Requirement

Crossroads is restricted to youth ages 13 through 18 as of November 21, 2014.

Adult Chaperones

Each adult attending Crossroads is also asked to provide transportation to and from the workshop to which he/she is assigned. A copy of each adult's proof of insurance may be requested by event organizers.

The District 11 Guidelines, adopted 12-16-1997, will be followed for this event. The minimum standards of the policy state:

- "If a county has four (4) or more 4-H members attending, the county must send an adult of either gender. When the number of 4-H participants exceeds 8, the adult to member ratio is 1 to 8. Example: If a county sends 12 members, they must send two chaperones. 4-H members opposite the gender of the county adult chaperone must be assigned to an adult chaperone of their gender. Assignments must be made by the member's county Extension agent. This assignment must then be sent in writing to the District Office five days prior to the event. This letter must state the event, the member's name(s), and the name of the adult chaperone (or agent) from another county that will accept responsibility for the member(s). The assigned adult should be asked before the letter is written,
- If there are three (3) or less participants from a county, without an adult chaperone attending, the members must be assigned to adult chaperones by the member's county Extension agent. 4-H members must be assigned to adult chaperones of their gender. This assignment must then be sent in writing to the District Office five (5) days prior to the event. This letter must state the

event, the member's name(s), and the name of the adult chaperone (or agent) from another county that will accept responsibility for the member(s). The assigned adult chaperone should be asked before the letter is written.

Transportation

It is the responsibility of each county to provide transportation for participants to and from Crossroads. If a youth drives to any district function, the keys will be picked up by their county agent or district specialist and returned at the completion of the event. This is to ensure the safety of all youth involved at the event. We strongly encourage youth to travel to a district function with an adult.

Transportation to and from workshops will be provided by adult leaders and county Extension agents. Each adult attending Crossroads is also asked to provide transportation to and from the workshop to which he/she is assigned. A copy of each adult's proof of auto insurance may be requested.
