SUBSTITUTIONS

Only the 4-H members and the number of 4-H members who qualify at district, qualify for state. Substitutions should be used only as a means of keeping a team active when members have been forced to drop out for unexpected reasons (i.e. major illness, death). Substituting for the purpose of having one or more team members compete in another contest is not an unexpected reason and is unacceptable. Any substitutions have to be approved through the District Office. Substitutions may be made as follows:
- Team of 2 or 3 members: 1 member may be substituted
- Team of 4 or 5 members: 2 members may be substituted

STATE QUALIFIERS (SENIORS ONLY)

Senior 4-H members are the only age division eligible to qualify for Texas 4-H Roundup. To be eligible for state participation, 4-H’ers must participate at the district competition. The teams and individuals that place first, second and third at district will be eligible to compete at Texas 4-H Roundup in June.

PRIOR COMPETITION

SENIORS ONLY – Seniors are now allowed to participate in contests that they have won first place in at Texas 4-H Roundup. A list of contests considered to be the “Recognized National Contests” for each of Texas’ State winning teams in the related contest fields can be found on page 10 of the Texas 4-H Roundup Guide. Individuals who participate in Texas 4-H Roundup and then go on to compete at the national contest are ineligible to compete at both State 4-H Roundup and any National 4-H Contest associated with that specific contest.

TEAM AND HIGH POINT INDIVIDUALS

The three high scoring individuals in the district contest may participate in the state contest, as individuals, if (and only if) their team does not advance to Texas 4-H Roundup. To further clarify, if the three high point individuals at the district contest are members of the first, second or third place teams, no individual entries will be accepted from the district. A 4-H member can only advance as an individual if the team does not!

VOLUNTEERS NEEDED!

Volunteers are needed to assist with the contest. County Extension Agents are encouraged to submit names of volunteers. Additionally, county Extension agents need to let adult leaders know that volunteers will be recruited during the participant orientation and should be prepared to serve as a volunteer in the capacity needed (i.e. table monitor, timer). Counties with a team should prepare to have at least one volunteer willing to assist with the contest.

No cell phones, PDAs, game boys, etc. are allowed to be in the possession of any participant throughout the entire contest. Participants should give all such items to a parent or leader prior to the contest.

CONTEST PROCEDURE

Pre-Contest:
- Participant orientation will be conducted. Following participant orientation, contestants will be divided into judging groups according to contestant numbers. Contestants will remain in these groups throughout the judging of classes, rotating through six classes and two rest periods. Contestants must remain with assigned group throughout the entire contest, including the study period prior to oral reasons presentation.
- Non-participants will be asked to leave the contest area following orientation.

Judging of Classes:
- As contestants gather around the class table to be judged, each must face away from the table keeping his/her back to the table until instructed by the timer to start judging.
- Each group will get seven (7) minutes to judge each class. A two minute warning will be given prior to time. At the end of the seven minutes, participants should face away from the table.
- One minute is allowed for each group to rotate to the next class.
- To indicate the ranking of items in each class, contestants should very carefully fill in the appropriate bubble which appears next to the appropriate placing on the Scranton. No Scantrons will be returned for corrections to be made and/or if the Scranton is completed incorrectly.
- Contestants may handle products in each judging class unless announced otherwise. However, the products must be handled carefully so that the quality will not be changed or the labels removed.
- No talking is permitted, and contestants may not leave the room while the contest is in progress. Contestants will be given one warning for talking. Thereafter, points will be deducted from the placing score, two (2) points for each reprimand.

Reasons:
- Juniors will NOT give oral reasons.
- Intermediates are required to give oral reasons on one class.
- Seniors are required to give oral reasons on two classes.
- Reasons will be given in the scheduled order approximately 15 minutes after all classes have been judged.
- Two minutes are allowed for each set of reasons. Because some contestants may not take all of the allocated time for giving reasons, the next scheduled contestant should be ready as soon as the room monitor signals that the judges are ready.
- During the two rest periods of class judging, participants may begin preparing for oral reasons.
- Intermediate contestants may use a reason note card while giving oral reasons to judges but should only refer to the card when necessary.
- Seniors may not use a reason note card while giving oral reasons to judges. If so, scoring for oral reasons will begin at 30 points (instead of 50).
- Contestants who are waiting to give oral reasons must remain in the assigned study room/area. No talking is permitted, and quiet is required so that all contestants can concentrate.
- Upon completion of judging and giving all required oral reasons, contestants may be excused from the site.
- Contestants who leave the contest site before give all oral reasons will receive a score of zero (0) for reasons.
