**Food Challenge county round assignments  
are subject to change based on entries  
received by registration deadline.**

All contestants are encouraged to arrive at least 15 minutes prior to the county's assigned judging time. A contestant who is late will be judged during an empty time slot or must wait until all judging is complete and then be judged depending on judging availability.

**NOTE TO PARENTS/GUESTS:** Only contestants and designated individuals will be allowed in the judging area. Noise levels must be kept to a minimum at all times.
