General Rules

1. **Eye Protection:** Shooting glasses or equivalent prescription glasses are required for all events involving air or powder driven projectiles. ISU or UIT glasses may be worn only if both eyes are adequately protected. All persons on or near the firing line are required to have eye protection, including coaches, range personnel, and shooters.
2. **Ear Protection:** In any event where noise is a recognized hazard to future hearing (i.e. if it goes "bang") hearing protection is required of all persons on or near the ranges. Ear plugs or head phones may be worn at the discretion of the shooter, range officer or coach; but proper hearing protection is required. Such equipment may be used in air or archery events if the shooter desires.
3. **Open and Empty:** All firearms will be brought to and removed from the line cased. All firearms will remain in a case until given the command to uncase firearms on the line. After that point, all firearms will remain open and empty until the command to "load" or "fire" is given ("Ready" in silhouette matches). The use of open bolt indicators (commercial or home manufactured) is required for all rifles and pistols.
4. **Muzzle/Bow Control:** Shooters must maintain control of their muzzles at all times. Regardless of condition, muzzles may not be pointed toward or rested upon any part of the body of the shooter or another person. The only exception is the limited exposure required in loading or swabbing a muzzleloading firearm. Violation of this rule may result in warning, disqualification from a round, or disqualification from a match. The pointing of any muzzle or bow (sky drawing) above the top of the backstop at any time is prohibited. Pointing a muzzle above the backstop or sky drawing is grounds for immediate disqualification.
5. **Semiautomatics:** Semiautomatic firearms may be used in most of these events. Shooters using semiautomatic rifles must control their brass to prevent interference with shooters on nearby firing points. Screens, other porous barriers, or shell catchers may be used.
6. **Hand loads:** The use of hand loaded ammunition during March madness is not required or allowed.
7. **Challenges:** Scoring of rifle or pistol targets may be reviewed by the shooter only (Junior shooters (ages 8-10) may have ONE older 4-Her with them while viewing). He or she may challenge the scoring if they feel it is incorrect for any reason. A challenge fee of \$1.00 is required for each shot challenged. If the challenge is upheld, the score will be adjusted and the fee will be returned to the shooter. If it is denied, the shooter will be given a receipt and the funds will be deposited in the Travis County 4-H Shooting Sports General Fund. There is no fee for pointing out of mathematical or recording errors.
8. **Appeals:** There are no appeals in March Madness.
9. **Protests:** Shooters only may protest any injustice, violation of the rules, or other circumstance that may have resulted in placing them at a disadvantage relative to other shooters. Such conditions must be reported by the competitor to the discipline's match director immediately. If satisfaction is not obtained, the situation should be reported by the competitor to Terry Vaughn.
10. **Fan Interference:** Disruption by parents, coaches or other individuals will not be permitted. Sanctions ranging from a warning to ejection from the grounds or disqualification of an entire team will be imposed for interference with the operation of the match or disruption of the events on a firing line or field. The "Little League Syndrome" will not be tolerated in 4-H Shooting Sports. Every effort will be made to keep these events fair, kid centered and positive. "Fighting for my kid(s)" is neither necessary nor permitted.

11. **Coaching:** Coaching will not be permitted on any range. Coaching includes any communication between the coach, parent or other spectator and the shooter, verbal or non-verbal. The shooter may request assistance from a range officer and the range officer may assign an assistant. Assistance can include (but is not limited to) hold of ammunition, loading, pumping air gun, etc. See the individual event descriptions for exceptions to the general coaching policy.
12. **Coach Removal:** The shoot management reserves the right to remove any coach from the firing line in the event that his or her behavior is deemed detrimental or distracting to his or her own shooter or others. Coaches should remain positive and supportive being careful not to disrupt other shooters. In the event that a coach is removed from the firing line, another coach may substitute for him/her at the discretion of the range officer.
13. **Alcohol Policy:** No alcoholic beverages may be consumed on the Austin Rifle Club Range during this event. Violation of this policy is grounds for ejection from the grounds.
14. **Tobacco Policy:** No smoking is permitted on or within 50 feet of the firing lines, scoring areas, concession areas, buildings or gathering areas. Smoking, use and possession of tobacco products (including smokeless) by minors is prohibited by law and is not permitted anywhere on the grounds at any time
15. **Dress Code:** Participants and spectators are required to dress appropriately. Team uniforms or shirts are encouraged, but not required. Both young people and adults should wear attire appropriate for the weather while remaining modest and socially acceptable. Shooters must wear a shirt with sleeves. **Parents and shooters clothing that is deemed immodest or distracting** to others will not be permitted. Fully enclosed shoes must be worn for safety reasons for both shooters and spectators at all times. For all Archery events and walking Hunting events, participants must wear long pants. All shooters and coaches should remember that they may be having photographs taken or be asked to interview for the media. Remember you represent all of 4-H Shooting Sports. Make it a positive image!
16. **Behavior:** All participants and spectators are expected to demonstrate the highest level of sportsmanship, supporting the objectives and ideals promoted by the 4-H program in general and the 4-H Shooting Sports Program in particular.
17. **Vehicle Operation:** All operation of vehicles must be by licensed drivers. No vehicles will be operated beyond the front parking area once orientation has begun. We encourage the use of garden type hand pulled carts for equipment transportation.

Discipline Specific Rules

ARCHERY

Location: Will be announced at orientation

Target: 60cm targets for Recurve, 40cm targets for Compound and Genesis.

Course of Fire: **Junior course of fire** - shoot five ends of six arrows each at 9 meters.

Intermediate and Senior course of fire - shoot five ends of six arrows each at 18 meters.

Time Limits: Shooters have a total of four minutes to shoot each end of six arrows.

Scoring: The lines between scoring areas of the target are part of the higher value scoring area. A shaft touching a scoring line receives the higher value score. From the center of the target outward, the scoring areas are 10, 9, 8, 7, 6, 5, 4, 3, 2, 1. Shots outside the scoring area are scored as misses.

Equipment: **Ear protection** - is not required in archery events, but plugs or muffs may be used to block out unwanted sound if the shooter desires.

Bows - Any bow that does not violate the conventional meaning of the term in target

archery may be used in 4-H archery events. Separate classes will be designated for Recurve, Compound, and Genesis events.

Stabilizers - Stabilizers or torque compensators may be used on recurve and compound bows.

Prohibition against “sky drawing” - Archers may not draw at an angle significantly above the line of flight to the target in any 4-H event. Sky drawing is a symptom of being grossly over-bowed, a condition leading to numerous form faults and potential injury.

Coaching Policy: Non-Disruptive coaching is allowed and encouraged during the archery event as long as it does not interfere with other competitors either physically or audibly.

Equipment Classes:

Recurve: Longbows or recurve bows of conventional design only may be used in any recurve division of archery events.

Compound: - Compound bows of any conventional design may be used in compound bow divisions of archery events.

Genesis: Non-modified Genesis bows.

MUZZLELOADING RIFLE (25 yard bottles and critters)

Location: Will be announced at orientation

Targets: MNLRA Antique Bottle and Haffner Combination targets

Course of Fire: 5 record shots at each target placed at 25 yards, standing with unlimited sighters.

Seniors, Intermediates and Juniors - 1 Bottle and 1 Critter target for a total of 10 shots

Time Limit: Seniors, Intermediates and Juniors – 50 minutes running time

Scoring: Antique Bottle - scored as outlined on the target Haffner Combination - scored by the highest scoring area touched by half the ball

Equipment Restrictions: 60 gr. black powder or equivalent maximum charge, patched round ball only

Coaching Policy: The match director or range officer may allow an adult assistant to help an inexperienced shooter. The shooter will need to request such an allowance and any assistance provided must not interfere with or disrupt other shooters.

AIR PISTOL

Location: Will be announced at orientation

Target: NRA B-40

Distance: 10 meters

Course of Fire: Junior: 10 record shots fired at three scoring bulls (3, 3, 4) in any order.

Intermediate: 20 record shots fired at three scoring bulls (7, 7, 6) in any order.

Senior: 30 record shots fired at six scoring bulls, (5 shots per record bull)

Position: Junior: supported sitting position, the barrel of the pistol may NOT be touching any support. Elbows off and body away from the table.

Intermediate: two-handed standing position

Senior: standard, one-handed standing position

Time Limits: Junior: 15 minutes running time

Intermediate: 30 minutes running time

Senior: 45 minutes running time

Equipment: Any .177 caliber (4.5 mm) air pistols weighing less than 3.3 pounds with a trigger pull of at least 17.6 ounces. No release triggers may be used. Open sights only.

Coaching Policy: The match director or range officer may allow an adult assistant to help an inexperienced shooter. The shooter will need to request such an allowance and any assistance provided must not interfere with or disrupt other shooters.

AIR PISTOL SILHOUETTE

Location: Will be announced at orientation

Target: 1/10 scale metallic silhouettes

Course of Fire: All in banks of 5 targets and shooting from left to right on each bank of targets, bottom bank first.

Seniors: 10 chickens at 10 yards, 10 pigs at 12.5 yards, 10 turkeys at 15 yards, 10 rams at 18 yards

Intermediates: 10 pigs at 10 yards, 10 turkeys at 12.5 yards, 10 rams at 15 yards

Juniors: 10 pigs at 10 yards, 10 rams at 12.5 yards.

Position: Only standing positions may be used, two-hand holds permitted but the hands and arms must be free of the body and may not touch beyond the wrists (NRA Rule 5.8)

Time Limits: 30 second ready time and 2 minute firing time for each bank of 5 targets

Scoring: Targets knocked off their feet in order are scored as hits, those not knocked off their feet or shot out of order are scored as misses. The animal must completely leave its feet; targets leaving their feet but remaining on the rail are considered hits. Turned targets remaining on their feet are scored as misses. Shooters will lose only one shot for a target shot out of order. In the case of missing target, the SHOOTER must make clear to the scorer, which target he/she will be firing at in lieu of the missing target (call your shot). Scores shall be recorded on the competitor's scorecard by participant or visitor from a county other than that of the competitor. Scores will be recorded on the scorecard from left to right starting on the top row in the order the shots are fired. Xs will be used to indicate hits, Os will be used to indicate misses.

Tie Breakers: First tie breaker will be on the total number of a particular animal hit, starting with rams, turkeys, pigs, chickens. Second tie breaker is long run from the end (farthest animal).

Equipment: Any air pistol caliber .22 or smaller equipped with any sights that do not project an image on the target and having a safe trigger, no release triggers may be used.

Equipment Classes:

Any Sight: Any sights that do not project an image on the target (exception for blind shooters) or operate the trigger. Metallic sights may be fired in the Any Sight Class.

Metallic Sight: Any conventional metallic open sights. Peep style sights are not allowed in this class.

Coaching Policy: The match director or range officer may allow an adult assistant to help an inexperienced shooter. The shooter will need to request such an allowance and any assistance provided must not interfere with or disrupt other shooters. The shooter should be equipped with a pistol he/she can safely and competently handle, load, aim, and fire their self. Coaches may assist in closing charging handles on pump style pistols but remaining loading operations should be completed by the competitor.

Spotting: Non-disruptive spotting is encouraged in silhouette events. Spotting is the practice of observing the intended target for the purpose of reporting projectile impact to the shooter. The shooter should then use that information to determine and take corrective measures that may be necessary.

SMALLBORE HUNTER'S PISTOL SILHOUETTE
