PRIOR COMPETITION:

Effective September 1, 2013:

A change is being implemented to allow most state winning teams and individuals the opportunity to come back and participate in state events and contests after winning 1st place (as an individual or member of a team). This includes some judging contests, recordbook judging, fashion show, food challenge, shooting sports, and others. The current rule that restricts youth from participating in the same category will also be revoked. Examples of this include: Fashion Show, Food Show, and Share-the-Fun. Youth will have the opportunity to participate in the same category after winning state the previous year.

****ALL STATE ROUNDUP RULES WILL SUPERCEDE DISTRICT RULES****

CONSUMER DECISION MAKING CONTEST

Information & Guidelines

EVENT INFORMATION

The Consumer Decision Making Contest is a competitive event that enables 4-H members to practice making decisions based on information about a situation and four available marketplace options. This contest is an opportunity to practice marketplace skills and compare decisions with a panel of judges who are knowledgeable about today's marketplace and the goods and services available.

The 2019-2020 District 11 Consumer Decision Making Contest will be held at the District 11 4-H Spring Spectacular on May 1, 2020 at Victoria College Emerging Technology Complex. A full schedule will be released with Spectacular information.

CONTEST OBJECTIVES

As a result of participating in the Consumer Decision making Contest, 4-H members will:

- Demonstrate skill in making decisions based on facts;
- Apply knowledge and experience in consumer education by analyzing consumer situations;
- Experience making choices among selected marketplace options;
- Develop and strengthen their reasoning ability in consumer skills;
- Demonstrate their ability to organize thoughts and express them orally in a clear, confident manner.

ELIGIBILITY

No limit is set for team entries per age division from each county participating in the District Consumer Decision Making (CDM) Contest. If a county does not have a team entering the CDM contest, the county may send one or two individual contestants for that age division. Three individuals in the same age division must be declared as a team.

TEAM COMPOSITE

A Consumer Decision Making Team is made up of three (3) to four (4) members. All team members must be enrolled in 4-H and actively participating as a 4-H member. Team designations will be made upon arrival at the contest.

STATE QUALIFIERS (SENIORS ONLY)

Senior 4-H members are the only age division eligible to qualify for Texas 4-H Roundup. To be eligible for state participation, 4-H'ers must participate at the district competition. The teams and individuals that place first, second and third at district will be eligible to compete at Texas 4-H Roundup in June.

TEAM AND HIGH POINT INDIVIDUALS

The three high scoring individuals in the district contest may participate in the state contest, as individuals, if (and only if) their team does not advance to Texas 4-H Roundup. To further clarify, if the three high point individuals at the district contest are members of the first, second or third place teams, no individual entries will be accepted from the district. A 4-H member can only advance as an individual if the team does not!

CONTEST CATEGORIES

In order to prepare for the contest, 4-H members should refer to the 2019-2020 4-H Consumer Decision Making Guides. These study guides and additional resources are available on the web at:

CONTEST PROCEDURE

Pre-Contest:

- Participant orientation will be conducted. Following participant orientation, contestants will be divided into judging groups according to contestant numbers. Contestants will remain in these groups throughout the judging of classes, rotating through six classes and two rest periods. Contestants must remain with assigned group throughout the entire contest, including the study period prior to oral reasons presentation.
- Non-participants will be asked to leave the contest area following orientation.

Judging of Classes:

- As contestants gather around the class table to be judged, each must face away from the table keeping his/her back to the table until instructed by the timer to start judging.
- Contestants will have seven minutes to judge a class. A two-minute warning will be given prior to time. At the end of seven minutes, participants will no longer be able to see the class they were working on.
- One minute is allowed between classes.
- To indicate the ranking of items in each class, contestants should very carefully fill in the appropriate bubble which appears next to the appropriate placing on the Scantron. No Scantrons will be returned for corrections to be made and/or if the Scantron is completed incorrectly.
- Contestants may handle products in each judging class unless announced otherwise. However, the products must be handled carefully so that the quality will not be changed or the labels removed.
- No talking is permitted, and contestants may not leave the room while the contest is in progress. Contestants will be given one warning for talking. Thereafter, points will be deducted from the placing score, two (2) points for each reprimand.

Reasons:

- Juniors will NOT give oral reasons.
- Intermediates are required to give oral reasons on one class.
- Seniors are required to give oral reasons on two classes.
- Reasons will be given in the scheduled order approximately 15 minutes after all classes have been judged.
- Two minutes are allowed for each set of reasons. Because some contestants may not take all of the allocated time for giving reasons, the next scheduled contestant should be ready as soon as the room monitor signals that the judges are ready.

- During the two rest periods of class judging, participants may begin preparing for oral reasons.
- Intermediate contestants may use a reason note card while giving oral reasons to judges but should only refer to the card when necessary.
- Seniors may not use a reason note card while giving oral reasons to judges. If so, scoring for oral reasons will begin at 30 points (instead of 50).
- Contestants who are waiting to give oral reasons must remain in the assigned study room/area. No talking is permitted, and quiet is required so that all contestants can concentrate.
- Upon completion of judging and giving all required oral reasons, contestants may be excused from the site.
- Contestants who leave the contest site before give all oral reasons will receive a score of zero (0) for reasons.

AWARDS

Awards will be presented upon completion of tabulation.

All members of 1st through 3rd place teams in each age division will receive a plaque or similar award.

High point individuals in each age division will receive a plaque or similar award.

Individuals placing 2nd through 5th in each age division will receive a rosette. Additional placings may receive rosettes if they are available.

Contestants are encouraged to research these emerging and/or current issues to develop current and new presentations.

DIVISIONS

The Fashion Show has two divisions: buying and construction.

A 4-H member may enter only one Fashion Show category in only one division.

A 4-H member must choose a division at the county level and compete in that division at all levels. The entry worn at the district and state contest must be the one worn at the county contest. Accessories such as shoes, jewelry, hat, gloves, and scarves may be changed until the time that the Division Worksheet has to be submitted to the District Office.

All garment entries must be worn during judging. Garments worn must make a complete ensemble and must ordinarily be worn together. Only garments and accessories worn during judging can be worn during the public fashion show. No additional garments may be carried, with the exception of props (i.e. show stick, tennis racket, golf club, teddy bear).

BUYING DIVISION GUIDELINES

In the Buying Division, comparison shopping may include department stores, boutiques or specialty stores, mail order catalogs, outlet stores, re-sale shops, and professional seamstresses.

All garments worn (garments that are visible, i.e. blouse under jumper) during the interview process must be included in the buying worksheet. Information from the worksheet will be evaluated by a panel of judges, so the worksheet needs to be complete. Judges will ask questions about the garments and the comparison shopping experience.

CONSTRUCTION DIVISION GUIDELINES

Garments may be constructed by sewing, knitting, or crocheting using new or recycled materials. Accessories may be purchased.

Juniors & Intermediates: It is not necessary to construct all garments worn during the contest. For example, a 4-H member may construct a skirt and purchase a blouse to wear with it. Only the skirt will be judged on construction, and the blouse will be judged as an accessory. Enter the appropriate

information on the Construction Division Worksheet. Information from the worksheet will be evaluated during the judging so the worksheet must be complete.

Seniors: All garments worn (garments that are visible, i.e. blouse under jumper) during the interview process must be constructed. Accessories may be purchased.

"It's the 4th of July for Mary Jane Smith every time she wears this patriotic suit. And she has a right to celebrate! The jaunty jacket sports shiny star buttons on the roaring red wool. And what a great idea! The scraps from the jacket turn into patch pockets on the military blue dress. Mary Jane has six years of 4-H sewing, but always finds a new challenge. She made this suit during a thunderstorm, finishing just before the electricity went off. Can you imagine how great the outfit will be at UCLA, where Mary Jane will be a freshman this fall?"

COUNTY DEADLINES

Counties may set individual deadlines as needed. However, all counties and participants are required to adhere to the district deadline. Therefore, it is important that counties conduct their County 4-H Fashion Show accordingly to allow for district entries to be submitted on time.

JUDGING PROCESS

Contestants will be called to line up prior to going into the judging room. Each contestant will be escorted into the appropriate judging room by a leader. To start the interview, each participant will introduce him-/herself to the judges with his/her name and county. At this time, the 4-H member may also briefly model for the judges, so they may view the garment being judged from all angles. Presentations are **not permitted** during the interview process.

Judges will evaluate each participant for a maximum of seven (7) minutes. During the interview process, judges will ask the participant questions related to the garment constructed and/or purchased. There are no sample questions for contestants to study and/or memorize in preparation for the interview. All judging scores will be totaled by a tabulation committee to determine top three placings in each category.
