

2022 District 11 4-H Fashion Storyboard *General Rules and Guidelines*

Open to Junior and Intermediates

OVERVIEW

The 4-H Fashion Storyboard is an industry-inspired method of displaying original designs. The best storyboards create vivid visual images that are interesting and appealing to viewers. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations and flats, as well as additional materials (such as photos from the Internet or magazines, paper, fabric swatches, patterns, etc.) that have influenced the unique design.

PURPOSE

The purpose of the Fashion Storyboard contest is to give 4-H members an opportunity to create a storyboard of their original design. It also provides the members an opportunity to gain knowledge of the career responsibilities of a fashion designer and illustrator, enhance creativity and originality, and develop visual communication skills.

DESIGN BRIEF

The following design brief serves as the direction for the 2022 Fashion Storyboards. 4-H members should create their Fashion Storyboard around their interpretation of the design brief.

Get Out and Explore

Get out and explore the great outdoors. That may mean in your own back yard, at a national park or on the Serengeti. Discover the animals that roam the earth big and small; those that creep on the ground and those that fly in the air. Take in the majesty of the nature around us. See the beauty in a sun rise, feel the mist from a waterfall, taste the sap from a maple tree. Get moving your adventure awaits.

 - i. Original design should serve as the focal point of the design.
 - ii. Placement of the inspirational items should allow the eye to flow across all elements of the board without distracting from the design.
 - iii. “White space” or “blank space” should be kept in consideration. Too much or too little white space detracts from the design.
 - iv. Additional photos and other materials can be used to show the inspiration for the design. These additional materials should enhance the storyboard, without taking away from the original design.
 - b. **Cohesiveness of Imagery and Overall Aesthetic** – Unified design elements throughout the board. Design elements can be anything including color, fonts and images.

As the designer it is important use your imagination and inspiration to create fresh and novel ideas. All design illustrations and flats should be the original work of the 4-H member. The design may be hand drawn or computer drawn. No “copying and pasting” from someone’s design as seen on the Internet, in a magazine, or other sources for the original design.

- i. **Titles/Labels** – The title for each storyboard must be: **Get Out and Explore**
Additional labels maybe added to the board as needed to provide details as related to the overall design of the board. A subtitle **may** be used for a more personalized name of the design. Labels may be included to enhance the storyboard or to clarify a point, but they will not be required.
